Dear Mr. Robinson:

Your letter of May 28th just arrived on my desk Friday of last week. There are a number of reasons why it will not be possible for us to lend you a transcription of the "War of the Worlds" program - not the least of which are the union problems involved.

Aside from the union problems, however, we do not feel that we want this recording played again for anyone -- it created too much excitement the first time it was played.

Very truly yours,
